WATER ANYTIME & EVERYTIME

Whether you are at the office or home, an Iceberg Water Dispenser will provide a convenient and reliable source of purified hot and cold water for your employees and guests.

CLEAN, CLEAR REFRESHING WATER

HEALTHY WATER

Iceberg provides pure drinking water through a rigorous quality controlled filtration and sterilisation process that comply with World Health Organisation and Ministry of Health standards. A good way to protect one of your most important investments - your employees.

ABOUT US

As a leader in the food and beverage business, CHIA KHIM LEE Food Industries Pte Ltd is committed to promoting a healthy lifestyle in line with the Government's efforts.

Established in 1975, we now supply distilled drinking water, soft drinks, edible oils and food products in Singapore and countries in the Asia Pacific Region.

Our office and factory now occupy a 50,000 sq ft plot of land in Defu Lane. To serve our customers even better, we have built a modern plant on 65,000 sq ft of land in Tuas, Jurong.

The plant is equipped with up-to-date water treatment and distilling machinery.
